Mr Xu Lingge  
Management Representative  
Nelco Products Pte Ltd  
126 Pioneer Road  
Singapore 639585

Dear Mr Xu,

Following the recent assessment of your organisation's Quality Management System, we are pleased to inform you that the System in operation conforms to the standard stated in the Assessment Report. An original copy of the new Certificate has enclosed for your retention.

The Minor Corrective Action Request raised should be completed with corrective action plan taken and submitted to SGS ICS Singapore within the specified time frame for review. Implementation of the corrective action plan will be verified at the first surveillance visit.

As an SGS International Certification Services Quality Assured Firm, you will be entitled to apply the SGS logo to letter headings and publicity materials relating to your Scope of Registration. Due to misrepresentation regarding Companies' certification we would ask you to ensure all publicity states that your own Company's registration is with SGS thereby enabling immediate traceability.

Please refer to the leaflet enclosed, which explains the permitted Regulations governing the use of the SGS System Certification Mark.

We would like to take this opportunity to congratulate you and your team on achieving this certification and wish you continuing success.

We look forward to a long term working relationship with your organisation.

Yours sincerely,

June Ng  
Senior Customer Service Executive
